Hello Property Owners!

I am writing to you all to update you on our Annual HOA Meeting that is scheduled for September 26, 2020 at 10am. As I'm sure you all have figured out; we will not be meeting in person this year. The BOD met and discussed the options. It was voted unanimously that it just was not safe to do so.

Now the HOA is going to be pushed into the new era whether we like it or not. We are going to set up a conference call for all owners to call into and participate. No limit on the number of people calling in. Enclosed with this letter is the instructions.

The number to call is **1-712-432-8773**. Please follow the prompt to enter id **#71630**.

You are automatically muted. Please use\*1 key to unmute yourself and state your name. If you wish to mute again use \*1. Please remain muted unless you want everyone to hear what you are saying, eating, doing, dogs barking; you know that sort of thing.

If for some reason when you call the line is busy please hang up and dial again. Please be patient this is our first attempt at doing our meeting without direct human interaction. Hopefully this will not set a new normal and we can get back to being together for our meeting.

We would also like to ask at this time for you to submit an e-mail address. It makes things so much easier if we can send the Newsletter or any important updates via e-mail. Your e-mail is not shared with anyone without your consent. Please send any updates to wrhoa88301@yahoo.com.

Meeting date and time: September 26, 2020 10am MST.

Hope to hear you all!

Regards,

HOA Board of Directors
